### President's Message

**Happy New Year  
Welcome 2022**

It is a new year, time to make a fresh start. Let's commit to taking good care of ourselves and each other. Hopefully we can stay safe and healthy so we may continue to meet in person this year.

Also, a new legislative session will begin soon. We must continue to let our elected representatives know that they must make educational issues a top priority. Students and teachers need their support now more than ever. Contact your legislator, let them know how you feel. If possible, attend the AZ Legislative Day March 3, at the State Capitol.
